

Dear Winter League Captains

We have 17 teams registered for the winter league. I was planning to have two divisions of 6 teams each and one of 5. However, this is not workable so I have to go for 1 league of 7 teams, Division A, with byes, and two leagues of 5 (Divisions B and C) with crossover games when the teams would have a bye.

I am working on the fixtures and plan to have them on the website within a week.

The first week, 9th October, will be a single game in the preliminary round of the cup, and this will be followed by a full round of the cup on 16th October.

In the preliminary round of the cup Chilly Millers will be at home to Ightham.

The winning team from this preliminary round will play in the first round of the cup the following week and has been drawn at home to Lordswood Storm. Please let Frances know directly who her team is playing as soon as you are able.

All matches in the winter league will be triples and reverse triples.

I attach a list of participating teams and their venues. Please note Bat and Ball will be playing at the Railway during the winter league and Crown Jewels will be playing at the Warren.
